**Call for Paper**

Application of Knowledge Representation Techniques to Semantic Modeling  
Big Data and Inter Edge-Cloud Computing  
Cooperation in Heterogeneous Systems  
Data Integration, Metadata Management, and Interoperability  
Data, Information and Knowledge Sharing  
Data Mining and Knowledge Discovery  
Data Models, Information Semantics, Query languages  
Data Provenance, cleaning, curation  
Data Stream Systems and Sensor Networks  
Data Visualization and Interactive Data Exploration  
Database Privacy, Security, Trust and Design  
Development and Management of Heterogeneous Knowledge Bases  
Digital Libraries  
Domain Modeling and Ontology-Building  
Data, Information and Knowledge Security  
Information Storage and Retrieval and Interface Technology  
Management of Data, Information and Knowledge Hybrid Systems  
Multimedia and Crossmodals "Databases"  
Optimization Techniques of DIKW applications  
Theories of DIKW models and Performance Evaluation approaches

*The topic is included above, but not limited*

**Submission & Publication**

Submission through Easy Chair only:  
<https://easychair.org/conferences/?conf=dikwra2021>

1) All the registered and presented papers will be included in the volume of Conference Proceeding tentatively, which will be submitted to **Engineering Village, Scopus, Thomson Reuters (WoS)** and other databases for review and indexing.(All is subject to the final publication and indexing results) \*Conference proceeding will be online publishing.

2) Selected papers with great extension will be recommended to publish in special issue on "**Crossing "Data, Information, Knowledge, and Wisdom" Models—Challenges, Solutions, and Recommendations**", Information(ISSN 2078-2489), which will be submitted to **Scopus (Elsevier), Ei Compendex, Emerging Sources Citation Index (ESCI-Web of Science)**, etc for review and indexing.

**(Registration fee discounting or waving will depend on innovations to DIKW foundation or applications by Chairs)**

**Domain Chair**

**DIKW Foundation:**

Jingwei Yang, California State University - Sacramento, USA  
Hua Ming, Oakland University, USA

**Communication Domain DIKW:**

Rentao Gu, Beijing University of Posts and Telecommunications, China  
**Ocean Domain DIKW:** Junzhi Yu, Peking University, China

**Bigdata Domain DIKW:** Zhao Li, Alibaba Group, China

**IoT Domain DIKW:** Qiang Duan, The Pennsylvania State University, USA

**Biology Domain DIKW:** Pengcheng Fu, Hainan University, China

**Knowledge Domain DIKW:**

Hien Nguyen, University of Information Technology, Vietnam

**Agriculture Domain DIKW:** Chen Yang, Ghent University, Belgium

**Medical Domain DIKW:** Jialun Lin, Hainan Medical University, China

**Art Design Domain DIKW:**

Yongshun Xu, Jiangsu Second Normal University, China

**Economics Domain DIKW:** Yunhai Dai, Namseoul University, South Korea

**AI Governance Domain DIKW:**

Weiwen Duan, Chinese Academy of Social Sciences, China

**AI Ethics and Legislation DIKW:** Rui Guo, Renmin University of China, China

**Industry 4.0 Domain DIKW:**

Xifan Yao, South China University of Technology, China

**E-government Domain DIKW:**

Pitaya Poompuang, Rajamangala University of Technology Thanyaburi, Thailand

**Meteorology Domain DIKW:**

Liang Chen, Hainan Meteorological Service Center, China

**Automatic Semantic Modeling Domain DIKW:** Zaiwen Feng, Huazhong Agricultural University, China

**Blockchain Domain DIKW:** Wen Bin, Hainan Normal University, China
